

Medical Disclaimer

Last updated: March 2026

The information provided on <https://www.rewardsdental.com/> is for **general informational purposes only** and is not intended as medical or dental advice.

No Medical Advice

Content on this website:

- Does **not** constitute medical or dental advice
- Is not a substitute for professional diagnosis or treatment
- Should not be relied upon for making healthcare decisions

Always consult a licensed dental professional for diagnosis, treatment, and care recommendations.

No Dentist–Patient Relationship

Use of this website or submission of inquiries does **not** create a dentist–patient relationship.

A formal dentist–patient relationship is established only after:

- An in-person consultation
 - Clinical evaluation
 - Mutual agreement to proceed with care
-

Individual Results May Vary

Any references to services, outcomes, or benefits:

- Are general in nature
 - Do not guarantee specific results
 - May vary based on individual circumstances and professional judgment
-

Emergency Situations

This website is **not intended for medical or dental emergencies**.

If you are experiencing a dental emergency:

- Contact emergency services immediately
 - Or call your local emergency dental provider
-

External Links

This website may include links to third-party resources for informational purposes. Rewards Dental does not endorse or assume responsibility for external content.

Limitation of Liability

Rewards Dental shall not be held liable for:

- Reliance on website content
- Decisions made without professional consultation
- Temporary inaccuracies or omissions

Use of the website is at your own discretion.
